St. Elizabeth Families,

As some of you are aware, we have major safety concerns with our **morning arrival procedures**, and the snow and cold have made these concerns even more apparent. We would like to try and have supervisors outside in the morning to open doors, keep traffic flowing, etc. However, we need help. All of our staff are being utilized either supervising their classrooms or taking temperatures. Therefore, I am looking for some volunteers to help each morning from about 7:50 until 8:10. If I can get 5 volunteers (or more) each person could help one day a week. So if you are able to help, please send me an email. I have a plan, but need help!

Now is the time to start thinking about how you can help St. Elizabeth and our future. If you would like to be a part of the **school board** next year, please let me know and I will send you an application! Commitment is one meeting a month and then some extra hours working on various items/projects.

In addition to the school board, Father Mike and I are also looking for parents to be a part of our **school unification/tradition committee**. This is similar to the parish unification committee in that we want to incorporate traditions and relics from the three schools at St. Elizabeth. We need volunteers from all of our schools. Again, send me an email if interested.

Finally, registration for current students is underway! Just sign into your FACTS account, click the button that says 2021/2022 school year under the "Payment Plan and Billing" section and follow the steps from there. All families **registered by the end of February** will be entered into a raffle that includes a St. Elizabeth fleece jacket, two long sleeve uniform shirts and one PE shirt from Dennis uniform, a week's free lunch from Marla's lunch (\$50 value), two "Out of Uniform" passes for the 2021-2022 school year, and other St. Elizabeth swag including two lanyards and a water bottle! So be sure to register ASAP. If you have a new student in your family to attend St. Elizabeth, please contact me and I will send you the forms for new students.

Students may wear a Red/Pink top tomorrow in honor of Valentine's Day, with their uniform bottoms.

Yours in Christ,  
Kristine Hillmann, Ed.D.

**Parent's Club:** Next meeting will be February 16th at 7:00PM. Please see attached meeting flyer with zoom information. Also attached is information for the board positions open next year, as well as the agenda for the next meeting and meeting minutes from January.

**Athletics:** As we begin to prepare for sports next year (we hope!), the Athletic Committee is trying to determine what sports to offer (which will also depend on volunteer coaches) as well as programs for our little ones. So please take a minute to complete the attached survey to determine you and your students' interest in athletic programs. All families interested in any type of athletic program should complete this form, from Junior Kindergarten to 8th grade!
