

ST. ELIZABETH of the Trinity

June 30, 2022

Good afternoon,

Tuition and Fees for the 2022-2023 school year were entered on June 30 and **FACTS** is in the process of finalizing your accounts (checking that the account you entered for payment is valid) and that should be done by the end of today. Tuition and fees will show up in full in your account once it is finalized.

Empower Scholarships already awarded will be entered Tuesday, as will any tuition payments already made, payments for an award, etc. I will continue to enter **Empower** as they are awarded.

Caritas will be entered as soon as the Arch gives me a final list.

Any financial aid through **St. Elizabeth** will be awarded in the middle of July, before the 1st tuition payment is due. For those of you with the \$100 credit from registration, those will also be added in before the 1st tuition payment as well.

Please feel free to reach out with any questions. The school office is closed tomorrow and Monday but I will get back to you Tuesday July 5.

Have a wonderful holiday weekend.

Kristine Hillmann
